

# DIGESTROL™

Healthy Digestion Support\*

Dear Valued Customer,

Thank you for purchasing Digestrol. Digestrol is a dietary tool formulated to help provide daily enzymatic support for your healthy digestion lifestyle choices.\* Carefully read and follow the directions for optimal results. We are dedicated to your success with Digestrol.

## IMPORTANT – PLEASE READ!

- If pregnant or breastfeeding, take only as directed by your physician.
- Keep out of reach of children.
- Store in a cool, dry place.
- If tamper-resistant seal is broken, do not use.

**Serving Size-** Take one tablet with each meal. You may increase your serving size as needed; or as directed by your health care professional. If you miss a serving, take a serving as soon as you can, and continue with your regular regimen.

**Children-** If under 21 years of age, consult your health care professional before taking Digestrol. Children under four years of age or under 40 pounds should not take Digestrol.

**Side Effects-** Digestrol is formulated with botanicals, vitamins, and minerals to support your healthy lifestyle\*. If you experience a rare side effect or an allergic reaction, consult your health care professional immediately and then contact our customer service department.

**Complete Nutrition-** Cellular nourishment is critical to health, but many modern diets lack vital nutrients bodies need to support sustainable health. We suggest visiting these websites; [www.vita-female.com](http://www.vita-female.com) or [www.vita-male.com](http://www.vita-male.com), for information on additional nutrition support.

**Diet-** Choose foods with beneficial effects on the body, such as raw fruits and vegetables, whole grains, organic pastured meats, healthy legumes, and nuts. Also remain hydrated during the day with pure water. Limit or avoid acidic substances such as sodas, candy and alcohol. Avoid processed, prepackaged and fast foods.

**Exercise-** Only 15-30 minutes of light to moderate exercise per day is beneficial for everyone. Walking, riding a bike and taking the stairs instead of the elevator are small ways to incorporate more movement into your daily routine. Work with your health care professional to develop a healthy exercise regimen.

**Keep With the Program-** Take Digestrol for at least 30 days to experience a full difference. To maintain this healthy difference, we recommend you continue to take Digestrol for 3-6 months. Keep a detailed journal to evaluate your progress.

**Prescription Medications-** If you are taking prescription medication, please consult your health care professional before taking Digestrol. Do not change your prescription medication regimen without first consulting your health care professional. Take Digestrol an hour before taking prescription medications.

**Success Stories-** Tell us your success story! Please visit [www.hellolife.net/reviews/](http://www.hellolife.net/reviews/) to share your story, or call our customer service line at 1.866.504.7557.

**Return Policy-** Visit [www.hellolife.net/terms-of-service/](http://www.hellolife.net/terms-of-service/) for a copy of our return policy.

**Questions?** If you have any questions, please email us at [service@hellolife.net](mailto:service@hellolife.net) or call 1.866.504.7557.
