

MOODBRITE® TABLETS

Natural Relief for Symptoms of Melancholy*

Dear Valued Customer,

Thank you for choosing MoodBrite Tablets, a natural homeopathic medicine for the temporary relief of sadness, sensitivity, indifference, low motivation and related symptoms.* Please carefully read the directions for use below:

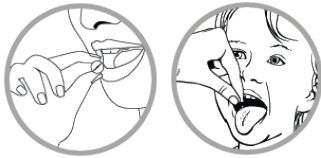

IMPORTANT! PLEASE READ!

- Safe for ages two and up.
- Keep out of reach of children.
- If pregnant or breastfeeding, take only as directed by your physician.
- Product must not come into contact with metal.
- Store in a cool, dry place.
- Do not store next to electrical devices or appliances
- If tamper-resistant seal is broken, do not use.
- Use within 60 days of opening.

DOSAGE GUIDE

Weight	Daily Dosage Size
30-50 lbs.	½ tablet twice daily
50+ lbs.	1 tablet twice daily

Usage: Chew or dissolve tablets in your mouth. For children, crush tablets and sprinkle onto tongue.

Regimen Jump-Start & Symptom Flare-Ups: You may safely increase dosage up to 3x daily until symptoms improve or as directed by your healthcare professional. Excessive dosage may cause mild digestive discomfort.

Prescription Medications: MoodBrite Tablets may be used safely with other OTC or prescription medications. However, as with any changes in your health regimen, we recommend you inform your doctor of your choice to use MoodBrite Tablets.

Side Effects: MoodBrite Tablets are a homeopathic medication. According to NCCAM, "homeopathic remedies in high dilution, taken under supervision of trained professionals, are generally considered safe and unlikely to cause severe adverse reactions.

(Continued on Back)

If you believe you are experiencing a rare side effect or allergic reaction to MoodBrite Tablets, please discontinue use, consult your healthcare professional immediately, and then contact our customer service department.

For Mood Support: Please consider adding MelloCaps™ to your daily regimen. With a blend of valerian, lemon balm, passionflower, whey protein, and green tea amino L-theanine, MelloCaps delivers safe, natural support for healthy calm and balanced production of serotonin and GABA.**

Keep with the Program: We encourage you to take MoodBrite Tablets twice daily for at least 30 days alongside a healthy diet and exercise regimen. Keep a detailed journal to evaluate your progress. To share your results with us, please visit www.hellolife.net/reviews or email us at service@hellolife.net and let us know how we're doing.

We Guarantee Satisfaction with MoodBrite Tablets! Please visit www.hellolife.net/terms-of-service/ for a copy of our return policy.
